THIS IS LIFE AT KHS FOR 1951-52

Here is is! The book you have all been waiting for! The story of life at KHS for 1951 - 52.

Yes, the SARGASSO is a recorded diary, full of pictures and stories, that, after reading through and having it signed by all of the many wonderful friends you have made at school, you will want to put aside with the pressed corsage, red and blue button, or the many other souvenirs of these important years of your life that you have spent at KHS.

Between these covers, you will find everything from the exciting moments of basketball games and pep sessions, or the romantic dances, the casual meetings of friends between classes to the more serious convocations, such as the one honoring National Prayer Day and Brotherhood Week, and the classes themselves as carefully recorded by the many students who have helped to gather the facts and pictures of the many events of this year and record them in your SARGASSO.

So turn the pages and prepare yourself for some fine entertainment!

"Oh, say can you see . . ."

Between classes our locker meetings proved interesting.

TOP LEFT: A large crowd of people gathered in a street or square, possibly during a protest or public event. The scene is filled with people, some standing and some sitting, with buildings and a large structure in the background.

At the table set up in the front hall for the Vocational Interest Conference, Peggy Noland, chairman; Miss Fay Cover, adviser; Mr. Edson Van Dorn, teacher; and Mrs. Margaret Duncan, speaker for the Comptometer section, meet.

B. I. E. Day serves as a means of bringing a closer relationship between the local business and industrial men and the school. One day these men visited our high school; then they returned the favor by having the teachers and seniors visit their business and industrial concerns.

Our faculty shows an interest in us by not only helping further our educations but by sponsoring such fine programs as the Vocational Interest Conference and College Day. The students show their appreciation by giving their full attention to the representatives from businesses and colleges in the room.

Miss Dorothy Rockwell pauses at the bulletin board with her father, Mr. L. H. Rockwell, Mr. Charles Small, and Mr. Howard Wilson.

Education Day began with a breakfast for the business men in the high-school cafeteria.

The Avenue, which was the place of the 2005 and 2006 KHS. Here, bright and sunny in the morning, the group of the last evenings activities. Some of the members of the past. Less is the name of the summer. Happy.

The wonderful music of Lowell Lusk's band played a waltz and the young men and women were dancing in the center of the street. The band was playing a waltz.

CAFETERIA

"Mumm", the scent of delicious cooked food as we round the corner on the first floor, comes from the school cafeteria, probably one of the busiest places in KHS.

Our cafeteria provides nourishing hot food in pleasant surroundings, where we can relax and really enjoy our meals after a hard morning's work.

The cafeteria managers plan the menus to present a variety of food, including soups, sandwiches, balanced dinners, and yummy desserts.

Mrs. Mary Miller, Mrs. Ruth Stockdale, Mrs. Opal Pavey, Mr. Otto Calhoan, Mrs. Hazel Hancock, Mrs. Lavanche Lawson.

Throughout the day the book store hums with activity. Here Miss Grace Tompkins serves Mr. Shutt, Dick Harvey, Becky Roper and Nancy Wright.

Dr. Frederick Schwartz, Nurses Barbara Rawlings and Esther Edwards discuss the flu epidemic.

They kept the school fires burning. Mr. Paul Miller, Mr. Marshall Andrews, Mr. Ollis Miller, Mr. Arch V. Golding.

STUDIES MATTER

What's going on in there? Is that a free-for-all or is that a sociology class debating a point? It's probably both! Students and teachers have shown their interests in their subjects this year by the lively debates carried on in many of our classes.

We have been reminded repeatedly by adults that studies are the basis of our high school life. We have a chance to develop our speaking, domestic, business, and musical talents as well as to further our general knowledge through the wonderful courses offered at our favorite high school—KHS.

Speaking of studying, aren't those study halls wonderful. A peek into one of them may show a few of the students busily studying, or a few of them catching forty winks; but most of them concentrate on their assignments and get them finished, for they realize that their studies are important. However, they won't make Einsteins of all of us.

FOREIGN LANGUAGE

A journey south of the border or into Spain—the land of enchantment—may mean highly seasoned food, midnight swims, and gay, romantic rhumbas, *but* it also means a different language, some “como se clama’s” or “donde eta usted’s.”

So, in preparation for our vacations, which are, of course, spent pursuing such bits of cultural enlightenment, we find it necessary to study foreign languages. The importance of this being that when ordering meals, it’s nice to know the difference between a tortilla and a hot tamale.

Our foreign language classes offer an opportunity not only to learn the language, but also to learn more about the source of many of the words in our English language. Though they sound like double talk, all of those “mica mica parva stellas” and “teeano patria’s” are the proud accomplishments of the foreign language students.

Buen Viaje.

By using Bob Lembke's model, Norman Baugher shows how a “turreis ambulatoria” (movable tower) was used to attack a walled town.

Ralene Hatch, Dianne Fienner, Ann Eikenberry, Suzette Vandenhosch, Leon Davis, Sharon Adams, and Debby Kopelov add flavor to Miss Campbell's second-year Spanish class with “Come down, little star, and tell me...”

SCIENCE

The advanced chemistry students—Cliff Williamson, John Penn, Melvin Maudlin, Jerry Wood, Charles Chisholm, Jack Lechner, Jim Jef-

frey, Garland Foust, Paul Wenger, Don Loay with, Jack Elleman, Ray Cox, Elmer Irwin, Joe Powell—try an unusual experiment.

Take a bunch of brightly colored chemicals, use a vocabulary of such words as valence, ionization, and amphoteric, put them all together, and what do you have? It may be H_2S , that "rotten egg gas," or it may be an operation to collect oxygen. Whatever it is, it all comes in a day's work for the chemistry classes.

"Eek!"

"Aw, that won't hurt you! Come on & sit up."

These and many other sounds come from the biology rooms as the underclassmen learn the structure and value of the plants and animals on ole Mother Earth.

MATHEMATICS

The Math department, in its coverage of algebraic solutions, geometric interpretations and everyday problems tries to give a student sufficient knowledge to meet the problems of his everyday experiences. Whether it involves triangles or spheres, square roots or equations, it all takes a lot of hard work and long hours of concentration, but to most students, the subject is intriguing enough to hold their interest.

Jack Adams' explanation of the algebraic equation seems to satisfy Nancy Walker and the rest of Mr. Barngrover's class.

Barbara Gonzales and James Williams pose for the seventh period art class.

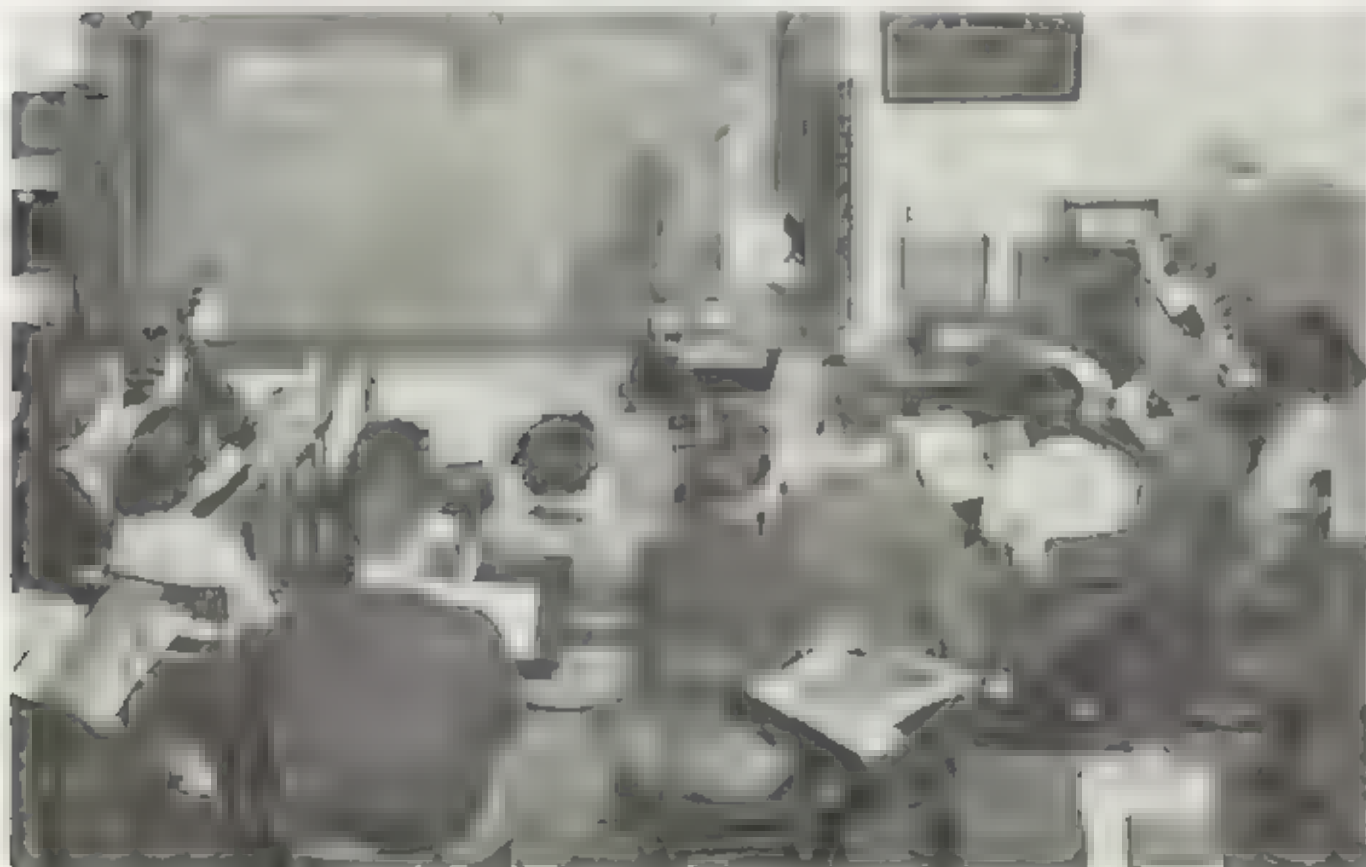

In the fine arts department of KHS Art and Music Appreciation are offered to the students. The Art classes, under the guidance of Miss Bernice McKinley, study the various phases of

art and the works of past masters. Be it charcoal, ink or painted work, the classes use a variety of models, including flowers and designs, and some times a fellow student will pose.

ART AND MUSIC

Mr. Joseph Ragains and the Music Appreciation class take advantage of records and radio for their study material. Besides studying the themes and histories of the finer types of music, including symphonies, operas, and overtures, the class also enjoys the music of Tommy Dorsey and his followers. Thus the students have a well-rounded knowledge of music as we hear it today.

Oh, those dynamic expressions of Wagner!

SOCIAL STUDIES

This year, Thomas Jefferson, Napoleon Bonaparte, and J. P. Morgan have a new haunt. This is the new Social Studies lab. The lab contains a large library of books, maps, and bulletins which are used in all phases of the department's work. The room is suited for panel discussions, research, and—those final exams

In Mr. Earl Wilson's class Rebecca Barron points out U. S. boundaries as they were one hundred years ago

John Julian, Bob Cole, Gary Nielander, Helene Jarrett, Pat Clester, and Dorothy Rock will form a panel in Miss McIntosh's government class to present our present foreign policy

HOME ECONOMICS

The way to a man's heart is through his stomach" and if the new cooking room is any indication of the culinary talent of the girls in the Home Economics courses, they shouldn't have a bit of trouble getting their men. The lovely new kitchen with its garbage disposal, automatic washer and drier, and light green walls makes every girl sit back and dream of having her own home someday. The gals can't help but cook well in those beautiful new kitchens!

ENGLISH

Theresa Federspill and John Spangler provide a background for the study of two literary periods.

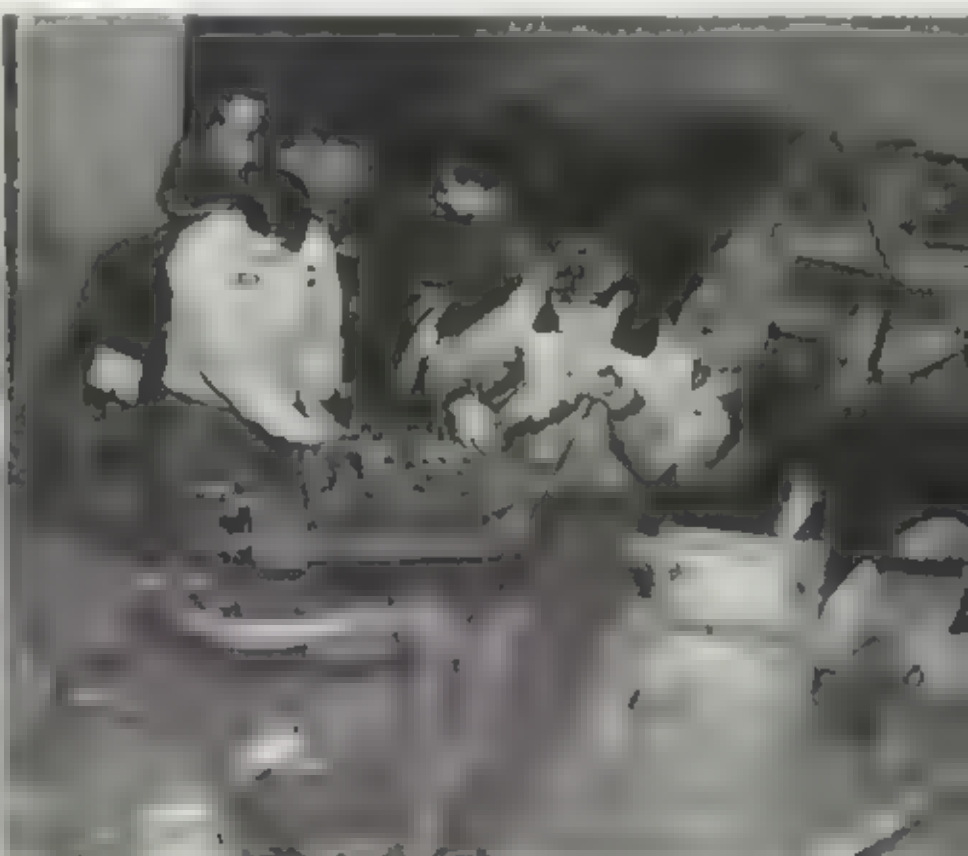

VOCATIONAL

The newest edition to K H S. is the Haworth Vocational Building. The classes held in this building not only teach students various trades but they also perform services for our school. One of the main contributions we enjoy is the publication of our school paper *The Red and Blue*. Among the newer subjects offered is Arts and Crafts. This class, which is given to both boys and girls, makes everything from bracelets to pottery.

HEALTH and SAFETY

McBarney's point and the car
disc valves begin to make sense.

It's more than just stepping on a gas pedal

"Then bones, then bones, then dry bones." The freshmen are really learning all about bones, muscles, and arteries. This year some new devices have been added to the Health department to make the study of the body a bit clearer. In 212 there sits a funny looking torso with removable lungs, heart, etc.; it isn't pretty, but it serves its purpose quite fully. There is also a heart which shows all the arteries and veins.

Driver's training is offered to any junior who feels he can give up a couple of study halls each week. Mr. Charles Franklin, Mr. John Myer, and Mr. Gene Turner share taking the students out for their first try at the wheel. (Pretty brave men, don't you think???)

ACTIVITIES

Our "Guys and Dolls" soon found that school meant more than just lessons. Activities began to form an important part of our high school career.

From the opening of school in September, 'til the last of the second semester, when spring fever began to take its toll, everyone found himself caught in the whirl of activities. For many of us, school no longer was over at three-thirty. Events, such as plays, school publications, and club meetings, kept us busy long after school was officially over. Our parents soon learned to expect our late arrival from school, and frequently supper had to be "warmed-up."

Activities were lots of fun. But, more important than this, they brought students and teachers closer together, and they developed qualities of leadership, responsibility, and regard for others.

THE CHOIR PERFORMED FOR THE

Do-re-mi-fa . . . And they're off on another busy season of concerts. Yes, the KHS Choir, under the capable direction of Miss Mary A. Fausset, once more filled the halls with its vocal renditions while the teachers struggled onward trying to teach through the daily rehearsals.

This group of aspiring "Carusos" and "Traubels" gave the first of thirty performances early in the fall. Throughout the school year, they kept the various organizations of the community well-supplied with entertainment.

One of the things that always stands out in the minds of KHS students about Christmas is the lovely choral presentations given by none other than our own Choir. At the annual Christmas concert this year, the candle-lighted procession preceded by the jubilant fanfare gave an impressive atmosphere to the entire concert. Both young and old alike sat and enjoyed the clever interpretation of "Jingle Bells" and the rendition of "The Night Before Christmas."

ENJOYMENT OF THE COMMUNITY

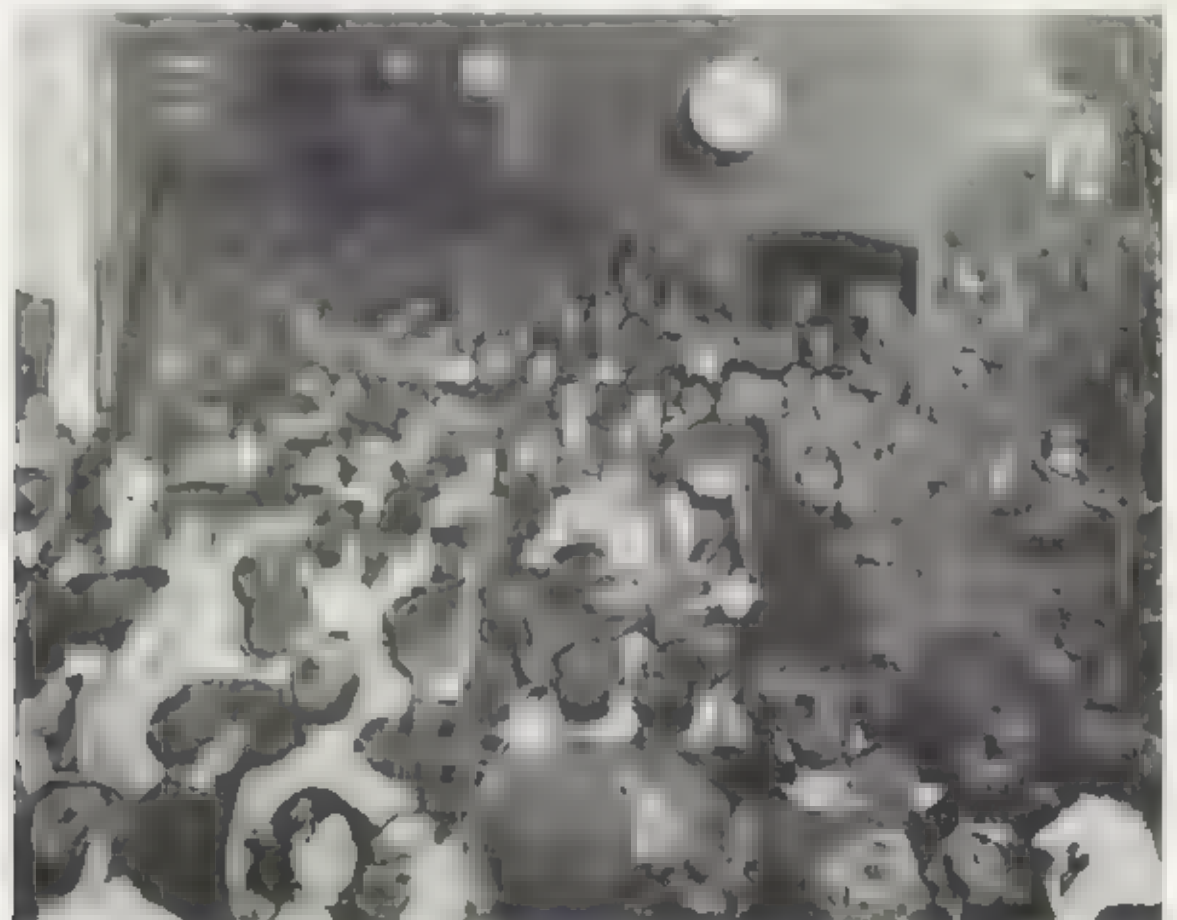

Sue Unger, Dick Hess, and Miss Mary A. Fausset seem to enjoy their few minutes of informality before tuning up for another sing

The Choir is always eager and willing to participate in the various events it is called upon to enter such as the Boys' Legion *Hullabaloo* in February, the Howard County Choral Festival in April, and the Four-City Festival in May. At Baccalaureate the Choir members don their robes for the last time.

The Choir and Miss Fausset shared all of the work necessary to hold the high esteem of the community which has been gained by past Choirs. However they also shared all of the pleasure of a job well done.

The halls ring with the hallowed carols of Christ

WITH A UMP - PAH - PAH AND A

With a roll of drums and a blare of trumpets, the KHS band opened the day. The music was carried to all parts of the building through the ventilators. Even though the band may have disturbed a few classes first period, everyone is proud of it and appreciative of the fine music it furnished the school in 1951-52.

Again this year, as in the past, the band, under the expert direction of Mr. Joseph Ragains, has added much to the color and excitement of the school's activities. The band participated in several musical programs, gave concerts, took part in Indiana University's Band Day and played in the Four-City Festival.

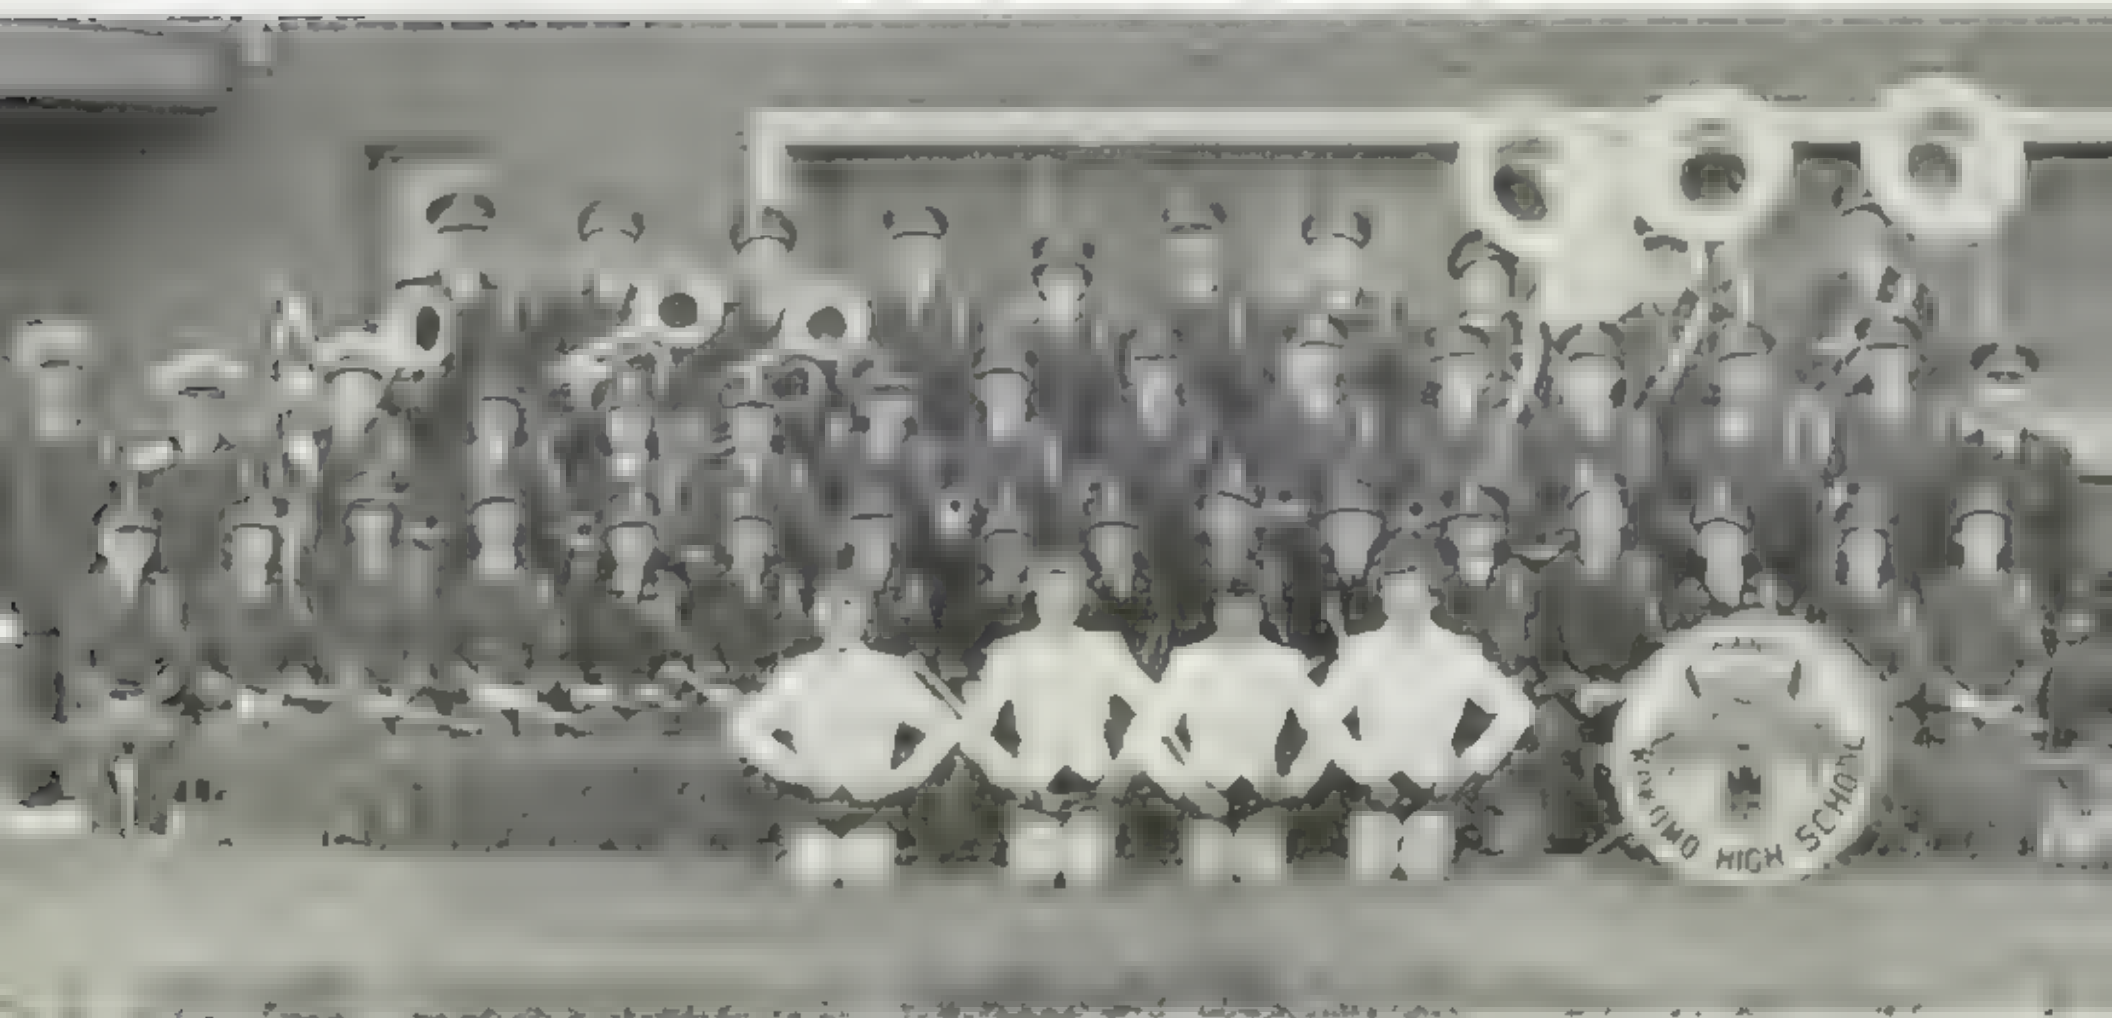

During football season, the eighty-three piece band, led by eight twirlers and a drum majorette, added a colorful spectacle to the games by presenting new and interesting marching formations for the enjoyment and amusement of the spectators.

When basketball season came, "Mr. Joe's Hornblowers" provided music before, during, and after each home game.

The band tried to present a variety of music, playing everything from "Rienzi" by Wagner to "Big Time Boogie," by Moffat.

The officers, who were chosen by the band, aided Mr. Ragains in planning trips, caring for uniforms, filing music, and doing numerous other jobs.

As a result of several years' hard work by the Music Department the band has become another major activity in KHS.

THE GIRLS' LEAGUE HONORS . . .

The Girls' League swung right into this '51-52 school season with its gala Autumn Prom. This annual event, among the other festivities it sponsors, is always anticipated by the blushing belles and the gallant guys of KHS with just the eagerness.

'Look at Yourself in the Mirror' (if you think you can stand it) was the topic for a lively panel discussion given by some of the Junior gals at the October meeting of the Girls' League. Barbara Beck and Betty Sablotne, who led the panel, seemed to have access to a special type of mirror. This wondrous mirror appeared to have the power to reveal the character traits which for the sake of our egos we would rather forget.

As the strong November winds blew and the last leaf tumbled earthward, we gathered in the auditorium for a very entertaining talent program. This program was under the direction of Carol Strong, who is helped out by the hilarious impersonations of popular singers by Pauline Johnson.

December found the Senior girls scurrying for more reasons than the usual pre-Christmas rush. They sold plastic bags to finance a Senior Girls-Women Faculty tea. This tea, which was held on December 20, gave the girls and teachers a chance to become better friends and chew the fat before the Seniors strike out on their own. They hope to establish this as one of their annual events, as it would round out their already busy schedule. Miriam Ellis, Capitola Hardy, and Doris Harlow were the foremen of this event. May we have many more like it. Holly was also sold by the hard-working females.

... MOTHERS AT RECEPTION

Girls and their mothers enjoy good food and friendly talk at the annual Mother-Daughter

In February, after recovering from those delightful semester tests which teachers always give us the pleasure of taking, the girls saw a very clever play under the direction of Pauline Johnson.

An interesting program was put on under the direction of Shirley Goebel in March. An airline hostess enlightened us as to her profession, one which many young women are seriously considering as a career due to the immense possibilities it offers for both advancement and travel.

Though a huge gathering of the femmes usually means nothing but some fast-moving babble and chatter, the Mother-Daughter Reception is different (at least to a point). On May 9, the girls gathered together to honor their mothers with Miriam Ellis and Janet Pearson as co-chairmen. The highlight of the evening was the announcement of the Girls' League officers for the coming year.

All of these varied activities have been carried out by the girls of KHS under the good natured supervision of Miss Estella G. Pearce and Mrs. Audra Lindley. Jane Good, who served her stretch as President, was ably assisted by Marcia Huston and Sue Edwards, who were First and Second Vice-Presidents respectively. The Secretary was Ann Kaegi. Nancy Cain was put in charge of the "loot" as Treasurer. Serving as our almighty Senior Representatives were Sue Ann Smith and Pauline Johnson. The Juniors followed up closely with Betty Smith and Barbara Koss as Representatives. Following next were Sophomore Representatives Debbie Kopylov and Janice Shafter. The Freshmen brought up the rear with Betsy Fell and Nancy Lear as their Representatives.

GIRLS' LEAGUE ACTIVITIES

Under the capable direction of Cotreal Brown and Nan Grant the annual sale of holly was carried on in the old bookstore. This sale, as always, helped put us in that Christmas mood, but no mistletoe.

On October the thirteenth, over 200 couples thronged to the Memorial Gymnasium, where they chatted and danced to the lively strains of Lyle Mitchell's Dance Band. Under the direction of Peggy Noland and Marcia Huston, the theme of "sous la mer," which is French for "under the sea," was carried out in the decorations portraying marine life. Tom Wheeler reigned as King, while Gary Arnold, Clyde Cox, Jim Jeffery, and Erich Mueller served as his court.

BOYS' LEGION HAS EVENTFUL YEAR

The Boys' Legion, founded by Dean J. P. Jones in 1936, has the largest membership of boys of any organization in the high school since every boy entering high school automatically becomes a member. The Boys' Legion directors, consisting of twelve members and five officers, led the various events sponsored by the Boys' Legion during the school year.

A new precedent was established as the Boys' Legion sponsored a Dad's Day football game. The dads of the team were honored at the Tech game, which was the last game of the season. Each dad wore the same number as his son and sat on a bench behind his son. At the half, the dads were introduced to the cheering crowd. Richard Dezelan served as chairman of the project.

The next major event to be presented was the Hullabaloo. The Board of Directors chose Tom Freeman to serve as general chairman. This annual event always provides enough fine entertainment and laughs to keep us rolling in the aisles. With the profits gained from the Hullabaloo, the Boys' Legion sponsored one of the most important events of the year—The Stardust Ball. Phil High was chairman of this ball.

Serving as the great Seniors on the Board of Directors this year were Cliff Williamson, Clyde Cox, and Frank Rouse. They were ably assisted by Chuck Grace, David Lott, and Guy Tillet representing the Juniors. The Sophomores had Junior Grant, John Hudson, and Tod Maddox, while the Freshmen assisted with Bill Jones, Dick Edwards, and Tom Beechy.

Officers chosen to represent the male body of KHS were: Dick Hess, president; Tom Freeman, vice-president; Robert Cole, treasurer; Fred Brinson, secretary; and Ken Toye, sergeant-at-arms.

Dick Hess, Bill Williams, Adair Armstrong, Joy Cross, Martha Walker, Barbara French, No Cain, Doris Harlow, Nancy Grant, Kay Lewis, and Marcia Huston

NO BUSINESS LIKE SHOW BUSINESS

"Smile, Susie!" "Come on, Nancy, kick!" "Charlie, turn that piano around." "Talk slower, Bill!"

These and other bits of constructive criticism were being shouted in the auditorium from the middle of January until the last dress rehearsal February 11. The stage crew worked reversibly and the cast rehearsed until they did routines in their sleep. Then came the reward for the long hours of grueling practice as the curtain went up on the 1952 *Hullabaloo*.

From Overture to Finale, the show was a hit. The fast-moving revue combined the night club style of the Rhythmatics, Hi Steppers, and Top Hatters with the Hill-Billy capers of the Kaktus Kuties and the Ridge Runners. "Because of You," "The Loveliest Night of the Year," "Boutonniere," and "Shrimp Boats" were featured hit tunes. Light (headed ') opera entitled "Metzo Convulso" added a bit of classical flavoring to the music menu. Even the TV bugs had their day with Argando, the chef, and part of the Super Circus.

Dick Hess and Bill Williams, the Emcees, did a professional job in their roles of Messrs. Stodge and Rod. They jiggled and clowned their way through the hour-and-a-half show and into the hearts of all.

The job of directing the cast of well over 200 was handled very capably by Mrs. Frank Kern, who also wrote the script. Miss Mary A. Fausset trained the singers to professional standards. Mr. Richard Schulz directed and supervised the construction and painting of scenery and the lighting of the stage.

The Boys' Legion, sponsors of this annual event, appointed Tom Freeman as Production Manager. He chose a crew of helpers that in every respect made outstanding contributions to the success of the show. No one in KHS was happier than Tom when the 1952 *Hullabaloo* was labeled a *Hit*!

Y-TEENS

Y-Teens aren't angels. They're merely an organization of girls who throughout the year combine good will, fun, and fellowship together.

Last Christmas these Y-Teens sent chocolate bars to Y-Teens in other lands and they sang carols on the square. At Easter, as well as Christmas, they made many needy children happier by giving presents for them.

Just as making others happier is an important part of the Y Teen program so is fun. Memories of after-game dances, sponsored in conjunction with the

HI-Y'S

The outstanding purposes of the Hi-Y are "to create, maintain, and extend through the school and community, high standards of Christian character."

To help extend these purposes, the Hi-Y's planned several social activities. The activities included the Hi-Y-Teen Carnival, the after-game dances, and the comical basketball game, "Murder on the Hardwood."

Something that must not be forgotten is the civic interest that the members reflected when they rang bells for the Salvation Army and gave food to the needy.

STUDENT COUNCIL

The Student Council, which is the legislative body of KHS, planned many things for the year 1951-1952. Organized in 1921 by Mr. C. E. Hinshaw, the Council promotes and directs activities for the betterment of the school and is under the supervision of Dean J. P. Jones

Four committees were organized to take care of the activities of the Council - Student Welfare, Student Relations, Public Relations, and Extra-Curricular Activities - and were headed by Don Lamm, Kay Lewis, Walter Johns, and Barbara Dixon, respectively

The first projects which were sponsored by the Council were the organization of the Yell Group and the election of Yell Leaders. The Red Cross drive, the Tuberculosis X-Ray mobile unit for high school students, and the Crusade for Freedom drive were three of the community projects which the Council backed. The members also enjoyed decorating a beautiful Christmas tree in the front hall and in January several committees began work on the Vocational Interest Conference, which was held on February 21. In the spring the Council members began the work on the publication of the *Lens* of 1952-53

This year's Council elected Marjorie Snyder, president; Ronald Pfleuger, vice-president; Nancy Cain, secretary; and Charles Nay, treasurer

LENS IS FIRST WELCOME TO KHS

Seated — Susan Kaegi, Hannah Disinger, Kay Lewis, Marilyn Gibson, Karina Hagman, Nancy Cain, Sue Edwards, Marcia Huston, Martha Walker, Darlene Whitecotton

This year, as in the past, one of the first persons to get a new and interesting station in the LENS of KHS was the smiling LENS sales man. If the newcomer did not purchase a LENS, he missed a very informative book. During the summer months, summer school wasn't all that was going on in the corridors of Kokomo High School. The LENS staff met during the mornings and published this "guide" for the '51-'52 school year.

The LENS was very helpful to everyone, including upper-classmen because the teachers had new room assignments. The editors, managers and staffs worked hard to make the LENS a book of general orientation of the high school, and a book to answer, for the freshies, such questions as: Where in KHS is room V-101? Can Seniors collect elevator fees more than once? How do you get into the Dramatic Club? Why can't I wear my new yellow cords? The LENS explained the

histories of the various colored pass shoes and the functions of the offices. In the back was the official and extensive record book, long with complete explanation. The LENS told why and how athletic awards and honors are given and listed records acquired by Kokomo. In the back was to be found a history of KHS since it was established.

Speaking of history, the LENS added a page of its own to the history of KHS. On page seven were printed the first words of encouragement and advice to the students by our new principal Mr. O. I. Farmer.

Nancy Cain did an outstanding job as editor-in-chief as did Karina Hagman in the position of business manager. Dean J. Paul Jones acted as adviser, and the Student Council was the group responsible for the publication of the LENS.

EXTRA! EXTRA! . . .

We had no newsboys running through the halls calling, "Extra! Extra!" But every two weeks during the fall semester and every week during the spring semester, students of KHS looked forward to receiving their latest edition of the RFD AND BLUE. It kept them informed of everything from the individual scoring of that basketball game to who attended that slumber party over the weekend. The front page scoops along with the features, editorials, and sports sections ranked with professional journalism.

As in the past, room 219, under the able direction of Mrs. Mildred Kern as the editorial staff adviser, was the center of activity for the editorial staff. Kay Lewis, who served as editor-in-chief, had the job of co-ordinating the different staffs of the paper and seeing to it that the RFD AND BLUE kept its rating

as a first-class publication. The page editors were Donna Wilber, Hannah Disinger, June Rowland, Dot Simmons, Malcolm Merrill, Art Lindsay, and Janet Pearson.

Down in room 108 Mr. Charles Franklin and his business staff were constantly bus soliciting advertisements, distributing the papers, and taking care of all money matters so that the paper could operate in the black. Peggy Noland and David Flora split the job of business manager, each having the job for one semester. Those who assisted them throughout the year were Nancy Masters, Ervin Reed, Alice Radloff, and Carol Brown.

Not only did the RED AND BLUE offer fine experience for prospective journalists, but it also offered apprenticeship training for those entering the printing vocation, since for the first time in many years the paper rolled off our own school presses.

SARGASSO STAFF SHARE WORK AND FUN

The expression "all work and no play" certainly does not apply to this year's SARGASSO staff. The staff started meeting early in July with the aid of cokes and pretzels. These "meetings" as you might call them, continued about every week throughout the summer, and the discussion was made up of such things as a theme for the yearbook, the prospects for the oncoming football season, or the refreshing taste of Barbara Dixon's lemonade with the mint leaf and red raspberry floating on top.

As soon as school started, the business staff got the subscription drive under way and in six weeks they set a record by getting 1,540 subscriptions for the SARGASSO.

Soon after this, the book began to take shape. Stories began to pour in, pictures were taken, the pages were pasted and typed, and oh, yes, there was a birthday party.

There were always rumors about the book, especially the cover. Some people said that the cover was going to be purple and yellow; others said it was going to be pink and green. But only the staff knew the real colors, and they wouldn't tell.

As distribution day for the SARGASSO drew near, the yearbook workers could look back on the many wonderful experiences they had had with the publication and truly be proud to have had a part in producing this, the 1951-1952 SARGASSO.

We of the SARGASSO staff would like to take this opportunity to thank the many students who helped with this year's publication. The sellers, writers, business, and pictorial workers all had a large part in the book.

We would especially like to thank our advisers, Miss Elizabeth Handley and Mr. George Dunbar, for their help and guidance in putting out the yearbook.

SARGASSO SELLERS

The sellers are the breadwinners of the yearbook. They go to the various roll rooms in the fall with the usual gab of salesmen and sell the books to the students and faculty of KHS. Every week for eight weeks, they collect payments from the students who buy on the installment plan. They give the book such a big build-up that it puts the rest of the staff under pressure to fulfil the promises of these energetic sellers.

PURDUE LEGISLATURE OF 1951

Kneeling: Bob Farrar, Richard Dezelan
Standing: Kay Lewis, Betty Sablotne, Miss Lilith Farlow, Margie Snyder, Nancy Grant, Rick Baugher, John Ringle, Dick Hess

Have you ever wished to go to your Indiana General Assembly and see how the laws which govern you are made? The next best thing to attending this legislature is to go to the Purdue Legislature held at Purdue University each year. In this, students have the privilege of actually participating in debate over "laws to be enacted."

The students to go from Kokomo were nominated by teachers and chosen by a faculty committee.

This year, as in the past, four representatives and a senator attended, and each delegate had an alternate, making ten in all the group.

After registering, the group went to the large Purdue Music Hall, where the entire convention heard the Governor speak. Following this and the formal swearing-in of the delegates, the convention was divided into pre-determined committees, each of which was to introduce a bill in the General Assembly that afternoon. After seemingly endless argument and debate, each committee decided on a bill favorable to the majority of its compositors, and the stage was set

for the General Assembly.

Probably thinking that they had composed some good legislation, the committees set out optimistically to have their respective bills passed by the house in which they were to be seated, either Senate or House of Representatives.

Their hopes of easy passage of the bills were soon shattered, however; the debate on the bills proved to be so extensive that time limits had to be set, and it was only through this method of limitation that the bills were discussed in any fashion of completeness.

In the evening of the first day, the delegates were feasted in the Purdue Memorial Union Building and addressed by several educational officials of Indiana, after which all were invited to attend a performance of Shakespeare's *Macbeth*, given especially for the legislators by the Purdue Play Shop. The performance was well attended and much appreciated by all. The next morning, the General Assembly reconvened and after more parliamentary argument, the Assembly was officially adjourned for the year 1951.

The Organization Board consists of five teachers, appointed by the principal, and four students, elected by the Student Council. The purpose of this group is to advise and organize each of the clubs in our school.

The Board enforces its own rules. All clubs must abide by these in order to be recognized by the school. Some of the many and involved duties of this board are checking club constitutions and programs, making club rules, and scheduling meeting dates.

Since the Organization Board has the final jurisdiction over school clubs, it also decides whether the number of members is large enough to form a club or if its active membership is too large to function orderly and successfully. Without a doubt we can say that the Organization Board is essential for the smooth-running of our clubs.

For the past year student members were Margie Snyder, Dick Hess, Betty Sablotne, and Bob Snyder. Faculty advisers were Miss Elizabeth McIntosh, Miss Elizabeth Calhoun, Miss Ruth Campbell, Mr. Earl Utterback, and Mr. Kenneth Crook.

THIS IS YOUR DRAMATIC CLUB

Led this year by Charles Fridlin, president; Tom Freeman, vice-president; Marcia Huston, treasurer; Shirley Goebel, secretary; and Mrs. Elsie Seagrave and Mr. Richard Schulz, faculty advisers, the fifty-five members of the Dramatic Club have continued the enviable record of successes that have been produced in its twenty-five years of continuous existence.

As in former years the club's major effort has been a fall three-act play. This year's production, *Cheaper by the Dozen*, by Frank and Ernestine Gilbreth, drew highest praise from a capacity house.

For the past three years, the members of the club have attended Purdue Playshop's season of six plays, observing acting, staging, lighting, and make-up.

Interest in the production of one-act plays has grown to the extent that this year at least one has been given each month. Audiences from schools, churches, and civic groups have enthusiastically invited players back year after year. More than thirty performances have been given annually for our community by the members.

CHEAPER BY THE DOZEN

This year's Dramatic Club production *Cheaper by the Dozen* by Frank and Ernestine Gilbreth was given a very high rating by a large and enthusiastic audience. Personalities of the family, its friends, the dozen children, their serene mother, and their efficiency-plus father came to life in a most satisfactory manner. Much of the success of the play was due to the untiring efforts of Mrs. Elsie Seagrave, the director of the play, and Mr. Richard Shulz, the technical director.

The plan of the play is unique in that each scene is preceded by a prologue in which an adult Frank and Ernestine, who in the play are two of the older children, remember highlights of their life as part of the dozen. They remember especially their father, Frank Gilbreth, an efficiency expert who believes, "If it will work in the factory, it will work in the home." At his familiar whistle the children come running to assemble for the family council where such problems as dates chaperoned by younger brothers, purchases of such luxuries as a dress, silk stockings and skates, and division of chores among the family, are discussed.

The conflict develops between father's conservative ideas and his children's desire to keep up with the current fashions. Anne, his eldest daughter, leads her other sisters to rebellion by buying silk stockings, bobbing her hair, and wanting to ride in a hot-rod with a yell leader. Larry, Anne's boy friend, complicates matters and arouses father's displeasure, which increases when motor-cycle Mar, her younger sister Ernestine's admirer, roars past the house several times daily.

Father's efficiency program is stepped up by the warning from Dr. Burton that he has only six months to live.

In his hurry to get his plans completed, he arranges for Anne's early graduation by special examination. Her well-meaning sisters interfere by giving her information concerning the test. She and others are accused of cheating by the old-maid schoolteacher. However, the mother manages to keep all of the children, the housekeeper, and father in harmony during this and all other crises of the play.

After father's final departure mother, although grief-stricken, calls the family council together once more and assumes father's responsibilities

THESPIAN SOCIETY

"Curtain going up," and we introduce troupe 979 of the National Thespians Society. Its membership is composed of students who have achieved recognition in the Dramatic Arts.

This year its projects were sponsoring the Purdue players performance "The Wizard of Oz," a trip to a dramatic festival at Ball State College, and attendance at the National Thespians Society Conference at Indiana University.

THE NATIONAL HONOR SOCIETY

The National Honor Society is a worthy goal for all high school students. With scholarship, leadership, service, and character as the basis for membership, the faculty chooses students who are outstanding in these four points from the upper third of the junior and senior classes.

After becoming part of the Honor Society, members strive to live up to their motto, "The quest for the best." It becomes a challenge for each member to reach the top in school work and in activities. The Honor Society pin, showing a flaming torch which symbolizes scholarship, serves as a reminder of an honor student's responsibilities.

An impressive initiation service in the auditorium before the underclassmen is given each year. In this public convocation the purposes and high ideals of the organization are explained. Each spring a banquet for members and sponsors is held in the school cafeteria as the final activity of the year.

Mrs. Dione Mustard and Mr. Edson Van Dorn were co-chairmen for the group during the past year. Other faculty advisers were Miss Helen Railsback, Mrs. Alice Farrar, Mr. Ed Phillips, and Mr. John Meritt. The club officers were Roger Keyes, president; Phil Irby, vice president; Mary Ellen Ehrman, secretary, and Jackie Lineback, treasurer.

SIR WALTER RALEIGH CLUB

We have all heard of the gallant English gentleman, Sir Walter Raleigh. Each of us has heard, also, of the time he removed his velvet cloak and put it over the mud puddle so that Queen Elizabeth might proceed with her walk. Through this and other deeds he became noted as a chivalrous gentleman. It is only befitting, therefore, that the Sir Walter Raleigh Club of Kokomo High School should be dedicated to the principles of gentleman-like conduct. The club members, however, do not go to such extremes as those of the Elizabethan Age but practice the common courtesies of our modern-day living. They try each day to practice courtesy wherever they may be.

The members of the club, which is open to any junior or senior boy in KHS, have done other things besides trying to promote courtesy in our school. One of the more important of these is the compiling of names, addresses, and telephone numbers of all the students and faculty members in an annual publication, the RALEIGH RINGEB.

The officers of the club for the past year were: Bill Johnson, Lord High Chancellor; Larry Maloney, Lord Chancellor; Don Lamm, Clerk; Clark Walser, Chancellor of the Exchequer; and Bob Maloney, Sergeant-at-Arms. These officers, together with the members and their advisor, Mr. Frank Moore, have tried to follow Sir Walter Raleigh's example of courtesy.

Many students in our school are interested in learning about the affairs of our government and of the governments in foreign countries. For these students the International Relations Club was organized in 1950, sponsored by Mr. Fred Mustard.

Being principally concerned with the purposes and functions of the United Nations, this club studies problems on a world basis. Miss Elizabeth Handley and Mrs. Mildred Kern gave interesting accounts of their European trips during the first semester meetings. In these travel talks, the customs and cultural backgrounds of European people were stressed in order that club members might have a better understanding of foreign ways of life.

The main activity of the International Relations Club comes during the spring semester. Clubs of this type from twelve Indiana high schools meet at Anderson for a model United Nations General Assembly. The topics for discussion this year were Admitting New Members to the United Nations, the Unification of Germany, and World Disarmament. Kokomo represented the nations of the United States, Bolivia, Czechoslovakia, Panama, and Liberia. A great deal of study concerning the topics for discussion and the view of each country toward them was required of each member who served as a delegate. At this conference the delegates learn to discuss worldly problems in a parliamentary fashion; also they become acquainted with high school students from other cities. Each year the model assembly is closed with a banquet for delegates, sponsors, and observers on the evening of the conference day. Both teachers and student delegates agreed that the assembly was interesting and beneficial. Believing that world peace depends on the United Nations, they urged other high school students to take part in this activity.

Upon their return from the assembly, the Kokomo delegates formed a discussion panel which presented talks on the United Nations to different classes and organizations.

The club was led this year by Bob Farrar, president; Pauline Johnson, vice-president; Kay Lewis, recording secretary; Marlene Frye, corresponding secretary.

YOUTHFUL RAPHAELS

Among the ranks of KHS students, we find that there are many who are very gifted with artistic talent. These students receive many fine pointers through their art classes and also from the Palette Club, to which any art student may belong.

The Palette Club, under the able guidance of Miss Bernice McKinley, has done much to improve the atmosphere of KHS and to liven the appearance of our fine city of Kokomo. These budding artists first allowed their talents to be known to the general public in late October, when they could be traced up and down the city streets by the ghastly ghosts and goblins which they were bringing to life on the store windows of many local merchants. By this clever display of talent, they procured funds with which they carried out their Christmas Cheer projects. These consisted of a party for the folks at the County Home, contributions to the Good Fellow's fund, and small remembrances for their kind friends.

At the meetings of the Palette Club, they demonstrated their desire to succeed by electing such capable leaders as Dorothy Rockwell, president; Mary Louise Harper, vice-president; Barbara Merrell, treasurer; Pauline Johnson as secretary; Crystal Wood as reporter; and Phillip Rayls, to serve as sergeant-at-arms. Their meetings were made interesting by having the members assume personalities of great artists, and by having many well-known guests speak on art, travel, and other subjects of interest to the young artists.

The Palette Club has been of much service to KHS by attending to the show cases and bulletin boards, and by purchasing art books, pottery, and other equipment for the new art room.

The climax of the Palette Club's year of activity is always the presentation of the Scholarship award, which is given to some worthy member in May.

Any member of the Girls Athletic Association will tell you their club is tops for fun and fellowship. Although G. A. A. emphasizes game techniques and body mechanics, its goal is teaching good sportsmanship. Miss Nancy Wheeler and Mrs. Mary Lou McNeal shared the sponsorship of G. A. A. during the past year, and with the enthusiasm and co-operation of everyone, a highly successful year was realized. The busy program included soccer, track, volley ball, tumbling, bowling, dancing, tennis, softball, and deck tennis. Playing soccer on the sand lots in the chilly fall twilight or winning the basketball ribbons will be among the cherished memories of many for a long time.

Because Kokomo High School belongs to the Indiana League of High School Girls' Athletics, it is able to award a state plaque to any junior girl meeting the state requirements. The highest attainable award is the senior locket. Next in rank are the local awards, major script, "K," G. A. A. emblem, and membership pin.

"THE LILIES OF THE FIELD"

The Senior Class Play of 1952 was the three-act comedy *The Lilies of the Field*, and through excellent and strong characterization on the part of the cast, was a "ripping" success.

The setting is in England, in a rather sophisticated atmosphere. The time is now, but Misses Flane and Roker dress and act as though the time were Victorian England.

The play tells of an English vicar and his family, and the complications resulting from the birthday presents to the twins from Mum's Mum (as she was called in the play by the twins, Elizabeth and Catherine). The presents consist of "ten yards of crepe-de-chine for one, and the other receives a week in London" in Mum's Mum's home. To settle a matter of interest, Elizabeth finally wins the trip to London.

At this point in the play, two new characters are introduced, Mr. Bryan Ropes and Mr. Barnaby Haddon. They eventually fall in love with Catherine (nicknamed Kitty by her parents) and Elizabeth (Betty) respectively. The Vicar pretends to be against any such marriages, but is actually over-concerned with the happiness of his daughters.

Elizabeth makes a social success in London by turning Victorian, and with this success come two utterly foolish and giddy characters, Miss Monica Flane and Lady Susan Roker. Neither character has any special purpose except to inject rare sophistication and giddiness into an already capricious mood. Elizabeth then turns modern in character once again, and the dejected socialities become disgusted, and leave the picture for good.

No, I'm just a fool like Bryan Ropes.

Marcia Huston, Nancy Grant, Gloria Huston, Bill Daugherty, Jim Jeffrey, Bill Briggs, Darlene White, Loton, Beverly Lucas, Tom Freeman, Patsy Murray, and Wilma Haywood.

The play ends with the Vicar's half-hearted consent to the marriages of Betty and Kitty.

The superb performance of the 1952 Senior Class Play was partially due to the fine guidance of Joan Swihart and Roger Keves, student directors, and to Mrs. Mildred Kern and Mr. Richard Schul, faculty advisers.

JUNIOR-SENIOR RECEPTION

As usual, the Junior class worked hard to outdo all the previous years in preparing the annual Junior-Senior Reception. As the Juniors' gift to the graduating class of '52, the Reception was held on Wednesday, May 28, in the Memorial Gymnasium. It served as a final climax to a year crammed full of activities.

The hardworking co-chairmen of this important event were Cynthia Ballentine and Chuck Grace, with Miss Mary Ellen Vergin, chairman of the advisers. They were assisted by the following co-chairmen and advisers: Checking, Lucretia Winner and Bill Foust, adviser, Mr. Geneal Prather; Coronation, Susan Kaegi and Jack Adams, adviser, Miss Helen Kay; Decorations, Ann Downhour and John Hoffman, adviser, Mr. Frank Moore; Entertainment, Sharon Kessler and Kenneth Parrish, adviser, Mr. Joseph Mullins; Invitations, Mary Norma Bassett and Patricia Ingels, adviser, Mr. Kenneth Warthen; Programs, Cora Mae Bennett and David Barngrover, adviser, Mr. Chester Thompson; Reception, Sally Pennell and Bob Lembke, adviser, Mr. J. SPORTS ————— AT KOK

"Kokomo, **Great** in Sports—Greater in Sportsmanship." No words could better state Kokomo's position in athletics for the 1952 season.

Coaches and team members worked hard to make Kokomo "Great in Sports." With unfaltering fighting spirit, and a fine sense of fair play throughout the season, they achieved what later may be called "a golden year in athletics" in our school. Our teams ranked well in all events entered.

With the good example set by our Yell Group, everyone learned how actively to support our teams and yet remain a good sport. Although this took constant effort, it was worth it, for we tried faithfully to be good sportsmen.

In years to come, we probably won't remember every hill, thrill, and moment of excitement; yet we shall always remember the 1952 season.

Coaches Joe Platt, Russell Bratton, Gene Turner, Chester Hill, Olin Meritt, Clarence Laymon, Robert Hamilton, Frank Overton, Walter Cross

COACHES

Probably the greatest factor to which we can attribute our great success in all sports this year is the extensive abilities of our coaching staff. Since the success of any athletic program depends on the capabilities of its coaches, we have only to look at the remarkable records made by all our teams this year to see that they have been well trained by very able coaches.

On the shoulders of these men must rest the responsibility of developing the potential abilities of each player and then combining the individuals into a team that will work together effectively as a unit. They must be able to recognize a player's weaknesses and, what is more important, be able to strengthen them. Above all, it is their job to teach their boys that sportsmanship is the foundation and the first rule of competitive sports and to see that they abide by this rule even when winning the game seems so much more important than being a good sport.

And yet, despite all the time and worrying spent by them in accomplishing these tremendous tasks, the coaches consider themselves well rewarded if they have a fairly good season.

Another invaluable asset to the team is its student managers. These boys in the "behind the scenes" jobs have been a great moral support to their team and in addition have performed all their specified duties.

The cheer leaders also have done a wonderful job this year, acting as our "ambassadors of good will" to our opponents. They have had a great task in controlling a usually hectic student body and they, too, have come through with flying colors.

"SAILING SAILING" . . .

Coach Tuffy Laymon's crew sailed into home port with a second place berth behind unsinkable Richmond, who ended their season with a 9-0 slate. This proved to be one of the hottest N. C. C. seasons in many a moon. Kokomo sailed into its not-so-easily taken berth after encountering a storm called Logansport and running into a small blow with Marion. Skipper Laymon and his boys should be commended on their splendid season.

Laymon's Lads started the season with an impressive victory over a bewildered Peru ball club, who were unprepared for Kokomo's unbelievable passing attack. Kokomo hit 10 of 20 passes for a 500%. They rode home peacefully with a 31-0 victory under their hull. Furnish and Toye shared scoring honors with 12 apiece.

The second game turned out to be a dog-eat-dog affair, when the Marion Giants and Tuffy's crew met with locked antlers in a 13-13 tie. Marion did the running the first half and caught Kokomo off guard. In the second half, however, the boys proved their ability to hold the line. And they held Marion to a minimum of yards.

On September 21 the Wildcats were indeed a happy crew after trouncing Coach Marion Crawley's Broncoes, 13-6. This was Kokomo's first victory over Lafayette since 1939. Again our passing

was outstanding. The boys again completed 6 of 12 for 500%. The Kats first score came late in the first quarter when Phipps completed a pass to Platt in the end zone. The next came when Hickman sprinted 10 yards for the score after a 7 play drive for 67 yards.

After the impressive victory over the Broncos of Lafayette, the Kats took on their annual rival, the Elwood Panthers. Kokomo again showed its superior passing attack, by connecting on 8 of 14 attempts. Laymon's Lads passed for two of their five scores and gained 124 yards more in the air. Elwood tried in every quarter to get a score across, but the closest they came was to the 10-yard line late in the third period.

Friday, October 5th, proved to be another memorable evening for Tuffy's scrapbook. The crew traveled to Muncie and defeated the powerful Bearcats, 12-6. This was the first time that Kokomo had ever beaten a Muncie ball club away from home ground. Kokomo outgained Muncie on the ground by only 16 yards. They were outpassed by Muncie by 32 yards and lost 30 yards more on penalties, yet came through with the second most impressive victory of the season. When a team can do this, they really have what it takes to make a ball club.

On October 12th Tuffy's crew staged a very realistic play, The Battle of The Little Big Horn, the only difference being that the Indians were slaughtered. Kokomo defeated the Indians, 46-7, in a very open ball game. The Kats outran Anderson 272 yards to 36 and outpassed them 245 yards to 42. Kokomo scored in every quarter. Anderson scored on a running play late in the second quarter.

The following week end it happened again when Kokomo's fighting forty met Frankfort's Black Hawks. The cold evening was warmed up considerably when the Kats ran and passed as if they were out to win the World Championship. They completed 9 of 14 passes for a total of 314 yards and ran like rabbits with buckshot on their tails. Kokomo again scored on all plays. The Black Hawks single tally came in the fourth quarter.

On October 24 Kokomo's crew struck its first iceberg, namely Logansport but they stayed afloat. This large and powerful eleven put a hole in Tuffy's Tug to the tune of a 20-7 licking. Logansport ran hard and blocked hard. The first quarter was a very slow one with neither team getting too close to home. In the second quarter, however, the lid blew off and Logan ran wild. Kokomo put up a wonderful battle but just got the breaks at the wrong time.

The Big Green Wave of Tech came to Kokomo on November 2, planning to take home a victory, but they were completely outwitted. Tuffy's crew was on the ball that night. They ran, passed, blocked, and tackled like real men.

We think that Coach Laymon and his crew should be commended for a wonderful season. A lot of praise should be given to the rest of the men in the engine room of Tuffy's Tug: Coaches Ed Hamilton, Russ Bratton, and Lou Platt. They very seldom had their names mentioned in the sports section of the paper, but they were a great help to the boys and the head coach.

CHAMPS OF '52

With many veterans back from the '51 team, a good team was expected; but our team of 1951-52 exceeded even the highest expectation of any of us. They ended the season with the greatest record in the history of Kokomo basketball by winning 25 of 28 games, the loss being by a total of only 5 points. Their achievements included in addition to this great record the winning of the North Central Conference, the Big Four Tourney, Associated Press mythical state championship, and sectional and regional titles.

The Kats opened their season in the Memorial Gym with a 52-41 victory over a veteran Wabash team. The scoring was led by Williamson with 17 and Cox with 16 points.

Picking up momentum, they rolled over Frankfort, 65-36, and Tipton, 76-56. Mitchell helped out against Frankfort with 15 points and Cox scored 25 against Tipton.

Playing their first game away from home, the Kats were tripped by Marion's Giants in an overtime game, 58-57.

The Kats returned to their winning ways with a 68-35 win over Shortridge of Indianapolis, a game in which the reserves saw much action.

In their second road game, profiting by their errors the week before, the Kats defeated Lafayette, 60-47, for the first Kokomo win in the Lafayette gym since 1939.

Anxious to avenge their lone defeat, the Kats broke loose at the expense of Marion for a new Memorial Gym record of 77 points while holding the Giants to 59. Cox missed setting the Memorial Gym's individual scoring record by 1 point as Marion's Jim Barley scored 30 of his team's 59 points.

This showing by the Kats was rewarded by a 4-place rating by Associated Press writers.

They finished out the year 1951 by defeating Logan sport on the road, 56-39, and a tough Sheridan team, 63-41 in the Memorial Gym to enter the Big-Four Tourney with a record of 8 wins and one loss.

With everyone getting into the act, the Kats walked away with the Big-Four tourney by dropping Anderson, 65-45, in the afternoon and turned it on in the evening for an 84-60 win over Logansport. This was a new record in the Gym and impressed the sports writers to vote the Kats into a first-place tie with New Albany.

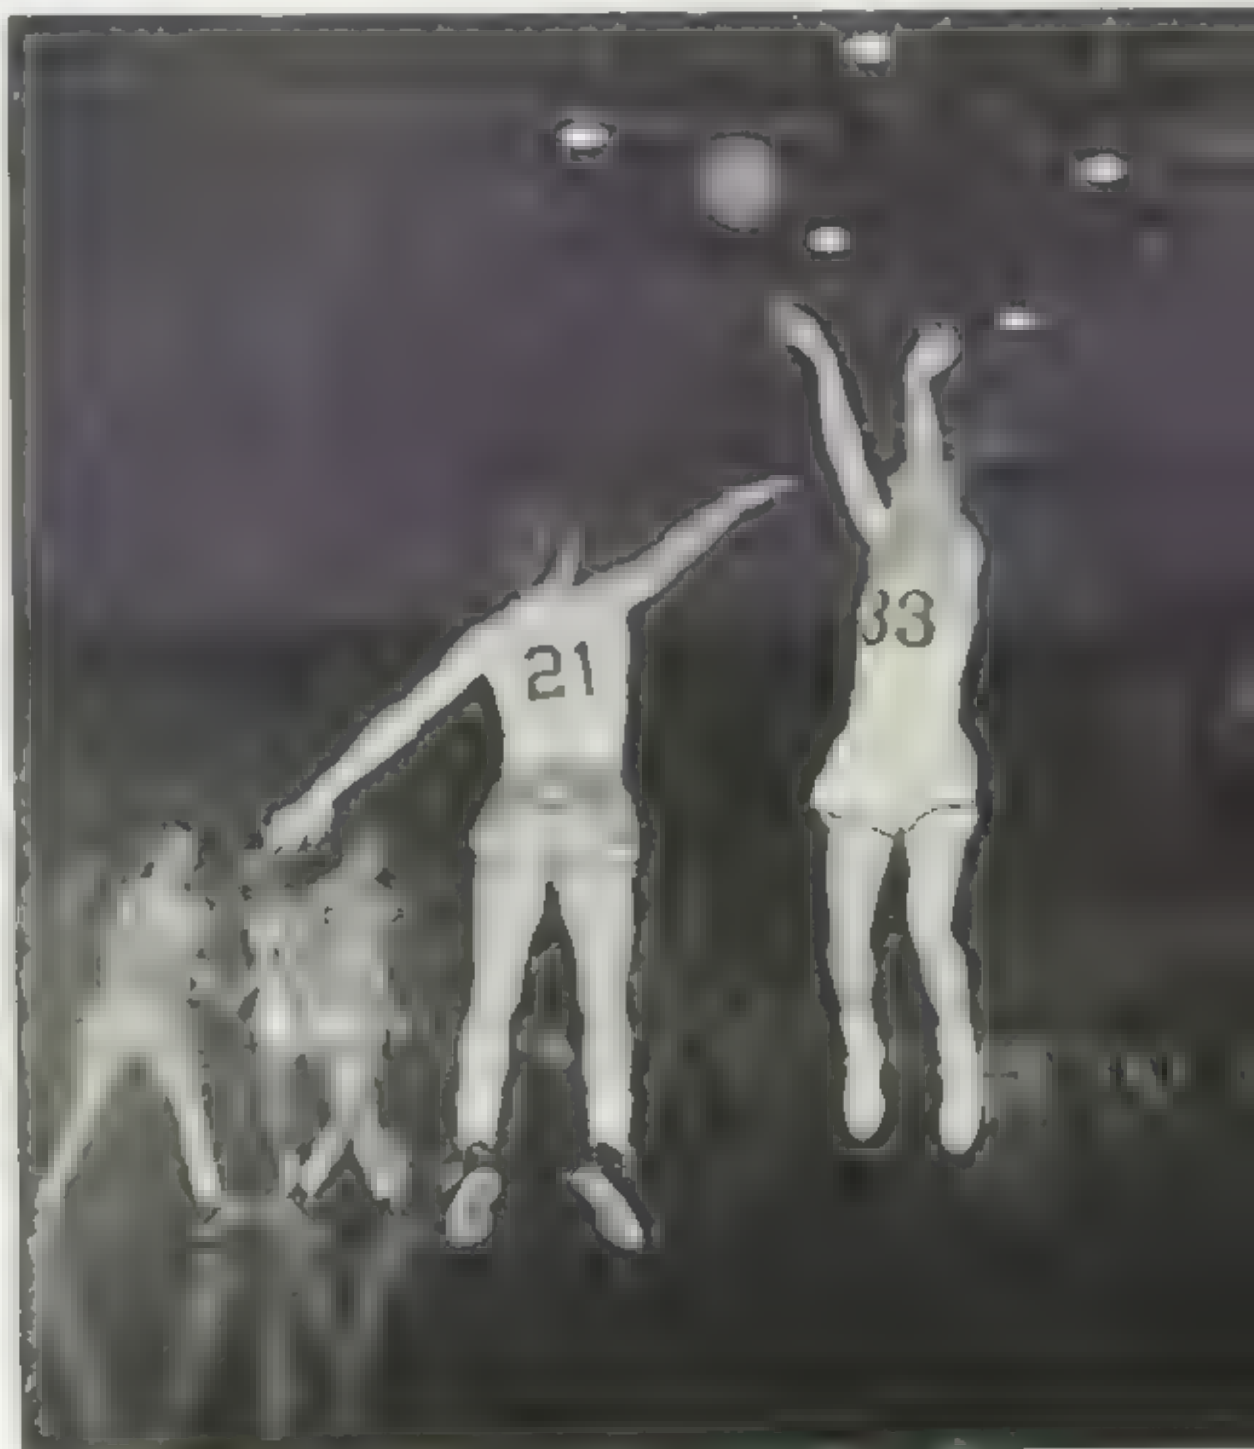

Although idle the next week, the Kats were voted into first place in the Associated Press ratings which they held for the remainder of the season.

The Kats showed they could play slowly as well as fast when they defeated Logansport in a stall game, 26-16.

Traveling to Howard Hall, the Kats broke through Frankfort's zone defense for a 63-46 victory while hitting a total of 17 of 18 free throws.

Shooting freely, Kokomo defeated a strong Elwood team, 60-39.

Traveling to Richmond, the Kats were subjected to one of the most phenomenal exhibitions of long range shooting ever displayed by the Red Devils and were forced to shoot in the overtime which broke a ten-game winning

streak of Platt's chargers. Phipps scored 16 points to keep up in their effort as Jones held Vansickle, Richmond's scoring ace, to 2 points.

Leading with 10 points in the first quarter, the Kats exploded to a 12-point lead in the second quarter and went ahead to route Anderson Indians by a score of 77-61.

The Kats came out for the second conference games with Muncie and Tech by defeating a scrappy Peru team, 55-47.

Platt scored 16 points in the game against Tech, and led the Kats to a 57-47 victory over the Muncie team.

With three of the regulars ailing, Platt fired his boys to defeat Tech, 65-55, and clinch the North Central Conference title. Tove, "subbing" for bed-ridden Cox, made a good showing as he scored 11 points.

Having clinched the Conference, the Kats tuned up for the State Tourney by romping over an improved Newcastle team, 77-58.

They had reached themselves for the tournament with a record of 18 wins and 2 losses, ranked first in Associated Press poll and were favor-

ed to win the sports week's tournament and championship.

The smaller schools in the sectional, playing inspired ball, gave our Kats plenty of trouble, but Kokomo put two boys in the spotlight, scoring 27 points in a game with Delphi, 29-15 in a stall game; Delphi, 41-32, after trailing 12-0 in the first half a tough Flora team, 35 to 28. The Kats' possession of the ball was a real secret.

In the regional the Kats out-ran a determined team of 200 lbs. boys, scoring the only 40 points in the game. The Kats showed their championship form by coming from behind to defeat the team, some had called the "Stooges," 37 to 30 as Sheridan attempted to preserve an early lead and passed up 11 free throws to maintain possession of the ball. This was our 15th regional title.

In one of the greatest semi-final games in tournament history the Kats finally edged out Marion's stars, 62-58. The speed and tightness of this game, with the 100 lbs. Marion team sent a weary Kokomo quintet into the night on a long quest against a rested Muncie squad, who had used reserves freely in romping to a 64-39 victory over Auburn.

At the close of the game.

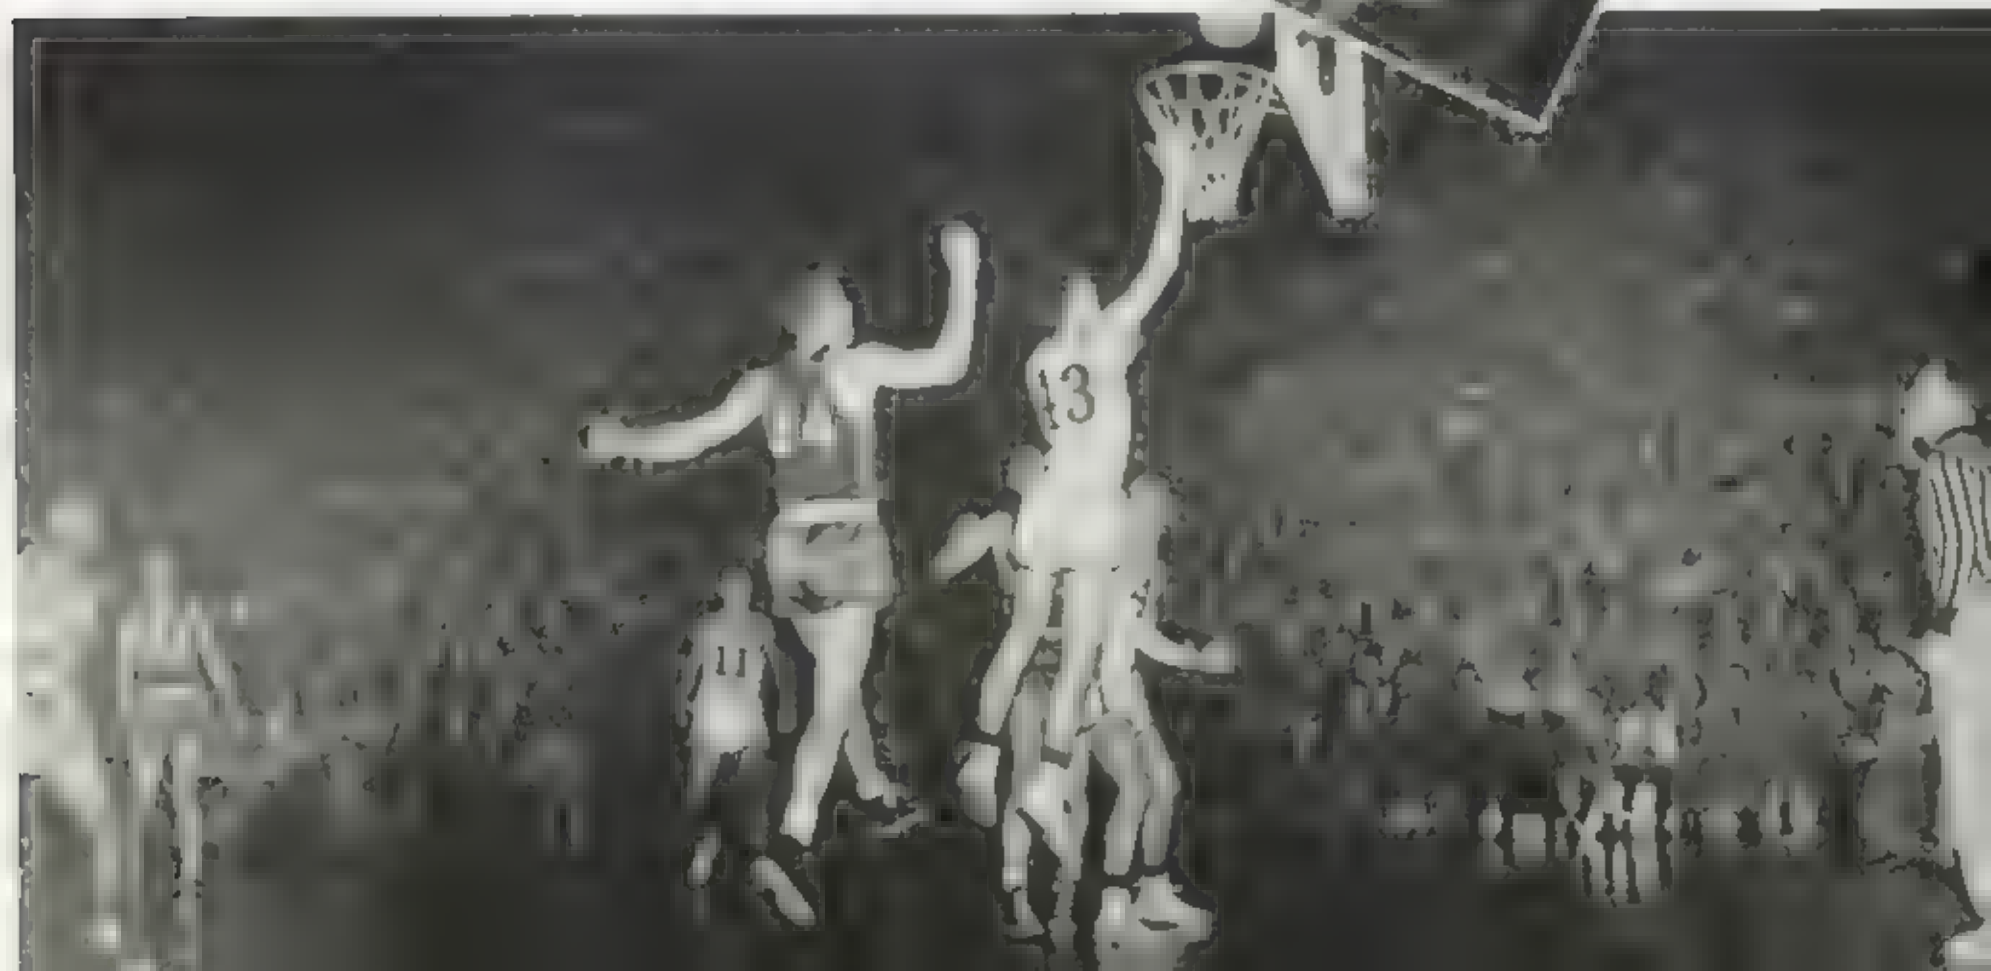

Muncie rushed to a 30-15 lead in the middle of the second quarter against our obviously tired Kats, but the Kats narrowed the margin to 6 points at the half and finally drove into a fifty-four to fifty-three lead in the fourth quarter and led 60-58 with 1 minute 34 seconds left on the clock. Muncie's Thornburg tied it up with two free-throws and scored again to lead 62-60 with 55 seconds left to play and our Kats tried desperately to score but the toll of the afternoon game was too much for them, and Muncie won out 62-60. Our Kats, this year, are the greatest that Kokomo team ever produced and are a wonderful example of team play. The five seniors on the first five had an average of .369 on field goals and .602 on free-throws. We may forget these figures but never the team of '52 or their coach Joe Platt, who led them to their enviable record of successes.

The wonderful record that these boys made this year of only three losses in 28 games (two of those were lost in overtime games and the last game by just two points) and the fact that they were rated for seven consecutive weeks as being First in the State and that they fought their way into the position of First in the North Central Conference should not be overlooked, for they are certainly as important as the one game that might have won the State Tournament for us!

GOLF

Coach Russell Bratton's young "Sammy Sneads" and "Ben Hogans" drove and puttred their way to a good season, winning two thirds of their matches with a 6 won, 3-lost record. After starting the season with decisive wins over Peru and Logansport, the team dropped one apiece to Anderson and Jeff of Lafayette and then picked up three in a row at the expense of Marion, Frankfort, and Anderson. They were beaten in their next outing by Tech of Indianapolis, but came back to wrap up the season with a second victory over Logansport. On the tournament side, the Kats placed fourth in the eight-team Invitational at Lafayette, took second in the Sectional at Fort Wayne and captured a respectable eleventh in the State.

TENNIS

The Kokomo High School tennis team had a successful season this year, winning seven games and losing four. The team was composed of Charles Nay, who completed his first season with the team, and four returning lettermen: Bill Graham, Marion Keisling, Jim Jeffrey, and Jack Boyd.

The team was defeated in matches with Muncie, 0-7; Anderson, 3-1; Tech of Indianapolis, 2-5; and Peru, 2-5. But through the efforts of the members of the team, and the coaching of Mr. Olin Merritt, the Kats were able to finish the season by defeating Peru in a return match; Lafayette, 6-1; Marion, 4-3; Frankfort, 5-2; Lafayette in a return game, 7-0; Logansport, 6-1; and Richmond, 4-3.

BASEBALL

The KHS baseball season of 1950-'51 came to a close with a questionable record of 4 wins and 12 losses. The season included several exciting moments, though, with the out-come of some of the games being decided by only one or two runs. The Kats met several good teams both at home and on the road, giving players and spectators alike a chance to see some interesting ball games. The Kat nine wound-up in ninth place in the N. C. C. after defeating only two of their Conference foes: Lafayette, the 1951 N. C. C. champs, 7-2, and New Castle, 16-10.

Three seniors, Arnold Pasquali, Phil Anderson, and Larry Russell, along with Max Adams, a sophomore, shared the mound duties, while Abe Keller and Ronny Cook worked out behind the plate. This gave the opposing battery some pretty rugged combinations to cope with.

The Kats, with their coach Tuffy Laymon, had a solid reserve of underclassmen who showed great possibilities for the future.

Although "Laymon's Lads" didn't have an impressive record, they had a good time working together, meeting fellows from the opposing schools, and playing good, clean ball.

TRACK

The Kokomo track thinlies opened the 1952 season with an avenging win over Marion 11 to 38. Tech was the second victim of Coach Bud Overton's rampaging track men, going down 77 to 40. The first Kokomo set-back was in the Muncie Relays where they finished second, with 40 7/10 points. The Wildcats then finished third behind Roosevelt of Gary and Muncie in the Kokomo Relays.

In the quadrangular meet with Sheridan, Eastern, and Northwestern, Kokomo placed first with 100 3/5 points. In the Conference meet at Frankfort Kokomo placed second under Muncie with 39 points.

The Sectional was won by Kokomo with 59 2/3 points. Kokomo also won the regional with 40 points. The regional meet qualified eleven men and a relay team to represent Kokomo at the State Track Meet. This has been the largest number of boys to qualify for the State Meet for many years. In this meet, Ken Toye set a new state record for high hurdles, running at 14.6. The final results of the meet showed Kokomo tying for second place with Muncie, with Roosevelt of Gary taking first honors.

Our highly successful cross-country team coached by Mr. Walter Cross compiled a record of 7 wins and no losses, a 4th place in the NCC, a tie for 3rd in the sectionals, and a 15th in the state meet. The Kats hung up an undefeated season in dual competition; Mississinewa, Lafayette, Wabash, Muncie, and Ft. Wayne South Side fell by the Kokomo onslaught. Bill Heck placed first in every dual meet.

Significant were the team's two victories over Newcastle, another first-year team. In the NCC meet, the team placed sixth and scored 5 points.

PHYSICAL EDUCATION PROGRAM

Girls gym class going through regular calisthenics

Spring twice and . . . splash, Carol Sallie demonstrates a perfect dive for the girls swimming class at the Y. M. C. A.

Physical Ed. in KHS for girls is divided into two parts. They are swimming and gym. The gym work consists of the team sports, dances (modern, square, and social), exercises, and body alignment. Swimming is given for four levels ability: the beginner, intermediate, advanced and life saver.

This year for the first time a swim club has been organized calling themselves the Kokomo Kips. The club has put on an aquacade consisting

of the analysis and demonstration of all the strokes and dives, racing, and water ballet.

For those girls interested in gym activities there is the G. A. A. which this year sponsored such activities as a banquet and attendance at a G. A. A. camp and sports play days at other schools.

Miss Nancy Wheeler and Mrs. Mary Lou McNeal were the sponsors for these physical activities.

PEOPLE . . . AT KHS

They walk, they talk, they study, they date—yes, they are the people of KHS

Walking, walking—some amble and some race. Hundreds of miles each day, the people of KHS travel over the marble floors to their exciting destinations.

At the same time, they are busy discussing and exchanging the latest news and gossip which may include something about the all-important studies. But usually it will be about the next weekend or that "dreamy girl" in English class. At this point the work is forgotten; and thoughts—of the students, at least—are turned to dates.

Dates? Fun for the girls; expensive for the boys. But everyone enjoys them and they rank first in importance in a lot of cases."

Yes, these are the people of KHS. They are fun-loving, understanding people who are really a lot of fun to be with.

P. S. They also can work.

SCHOOL BOARD

The management of the school system is entrusted to the five-member Kokomo School Board. The Board, which is chosen by the city council, hires teachers, fixes rules and regulations, and plans building and expansion programs.

Since the Board is responsible for the school property, it must decide such things as—"Can Spike Jones use the Memorial Gym?" or "How soon can we have the Home Ec. Department remodeled?"

These are but a few of the situations confronted by the Kokomo School Board.

Top Row: Mr. H. Alva Edwards, treasurer; Mr. Lawrence J. Evans, secretary; Mrs. Josephine Fenn, president

Bottom Row: Mr. J. Ralph Mason; Mr. Joseph Noel; Mr. O. M. Swihart, superintendent

PRINCIPAL

Mr. O. I. Farmer begins his first year as principal

Each fall new faces appear in the halls of KHS. Last fall there was an extra special stranger, for KHS received a new principal. Actually, Mr. O. I. Farmer was not entirely new to this school for, having been the principal of Washington for several years, he knew many of the students and faculty members of KHS. However, Mr. Farmer still had an enormous task confronting him when he became the new principal last September. For weeks everywhere he turned he saw strange faces, but gradually he became acquainted with everyone. His friendly greetings and quick smiles were irresistible.

Mr. Farmer's motto seems to be "do everything well and as best I can" for that is precisely what he has done this year. He is the mainstay of our school and you need only recall the smooth-running daily schedules, the many wonderful teachers, and his numerous words of encouragement to realize the magnificent job he has done.

There are schools where the students cringe whenever they see their principal; he sets himself upon a pedestal and all stand in fear and awe of him. KHS is fortunate for its principal undoubtedly wants to be a friend to all. In turn KHS students are all friends to their principal.

Mr. Farmer's first year in KHS has been a tremendous success. His friendship is and will be cherished by many students for many years to come. Yes, Mr. Farmer has been here only one year, but all KHS hopes that he will stay for many more.

DEANS OF GIRLS

During a young girl's four-year journey through KHS, she sometimes finds herself confronted with various problems, such as classroom difficulties, absence, or home problems. At such a time a young girl is very needful of a wise adviser and an understanding friend.

Many KHS lassies have found just such an adviser and sincere friend in our deans, Miss Estella Pearce and Mrs. Audra Lindley. These remarkable ladies are always willing to discuss in kind words of wisdom the problems of any girl who is having difficulty in school, at home, or in the extra-curricular activities.

When they are not busily engaged in ironing out the problems of the weaker sex, our deans are as eager as any other female to participate in an old fashioned gab session. Whether you choose to discuss the Autumn Prom, the basketball game, or the latest "boy-dates-girl" developments, you will discover that they are very much "in the know."

With a vote of thanks for a job well done, and a feeling of affectionate admiration, we will never forget our friends, Miss Pearce and Mrs. Lindley.

Miss Estella G. Pearce and Mrs. Audra Lindley look pleased over their plans for the coming year.

DEAN OF BOYS

One of the better known faces around Kokomo High School is the Dean of Boys—tall, cheerful John Paul Jones. He offers his services as counselor, adviser, and friend to all the boys of KHS. He, with the help of his office staff, issues pass slips, records attendance, and aids the members of the stronger sex in general.

As though these responsibilities weren't enough, Dean Jones is also assistant principal. He dedicates his time unselfishly in serving as faculty adviser to both the Student Council and Boys' Legion Board of Directors. Certainly there isn't a boy or girl here who doesn't have a soft spot in his heart for Dean Jones, a man who strives to serve the school and the student body to his utmost ability.

Mr. J. P. Jones and Dick Hess note how the KHS campus has been enlarged.

UNDERCLASSMEN

"I've paid my elevator fee, but where are the elevators — Could you tell me where room 102 is?" "Where is the cafeteria? I've been all around the first floor and can't find it!"

These expressions were uttered frequently by some 580 freshmen as they scurried down the long halls in the milling crowds of KHS. For several days, and weeks for some, their dazed and confused looks readily distinguished these (excuse the expression) "green freshies" from the upperclassmen. Their bewilderment was eventually replaced by friendliness and bustling activity as they became well acquainted with the school and its activities through the Orientation classes.

The Sophomores, however, felt pretty big as they looked with disdain at these Freshmen, forgetting that last year they were as green as the Class of '53. But, of course, that is a Sophomore's privilege, for with one more jump he will be an upperclassman.

The Freshmen selected Judy Bailey, Dorothy Beck, Sally Cassida, Larry Cooper, Sarah DeLo, Julia Fuller, Annette Hesselman, Judy Huston, Jerry Kaufman, John Lynn, Peggy Martin, Donna Murphy, Janis Plotner, Mary Richardson, Nancy Russell, Jean Russell, Bertha Thompkins, and Don Walters to give their suggestions, by way of the Student Council, for improving our school. The Class of '53 elected Tom Beechy, Dick Edwards, and Bill Jones to the Boys' Legion Board of Directors, and Betsy Fell and Nancy Lear to the Girls' League Council.

The Sophomores did equally as well in representing their class by sending Debbie Kopelov and Janice Shafer to the Girls' League Council and Todd Maddock, John Hudson, and Junior Grant to the Boys' Legion Board of Directors. Joan Allman, Sue Chambers, Ronnie Clark, Janet Frazer, Valerie Hessel, Janice Huston, Joyce Lightfoot, Todd Maddock, Gene Miller, Don Rowney, Elizabeth Spangler, Richard Streaty, and Mary Jo Vaught represented the Class of '54 on the Student Council.

The Freshmen and Sophomores chose Myra Klingerman and Sandra Smith respectively for their candidates for Sweetheart of the Stardust.

JUNIORS

The Junior of '52 was easily known around school by the shiney new class jewelry he soon wore. Of course, the Juniors believe it is the best looking class jewelry KHS has had.

In the field of class officers, the Class of '53 found leaders when they elected Guy Tillet, president; John Klingerman, vice-president; Marlene Frye, secretary; and Barbara Beck, treasurer.

The boys chose Guy Tillet, David Lott, and Charles Grace for the Boys' Legion Board of Directors, and the girls did equally as well in electing Betty Sablotne and Barbara Beck to represent them on the Girls' League Council.

Rick Baugher, Barbara Beck, Mary Carr, Marjorie Denman, Bill Foust, Julia Grable, Walter Johns, Don Lamm, Charles Nay, Paul Plummer, Betty Sablotne, Rex Shutt, John Spangler, and Sue Unger did a good job as Junior representatives to the Student Council.

The Juniors worked hard on the annual Junior-Senior Reception, which was a great suc-

cess, and which the Juniors like to think is the best one ever held. Cynthia Ballentine and Charles Grace deserve a vote of thanks for the good job they did as co-chairmen for the Reception.

No organization can function well without some advice from those who know, and the advisers for the Junior Class were very important to the smooth sailing of the year. They were: Mr. Virgil Fleenor, Mrs. Louise Greenlee, Mr. J. P. Jones, Mrs. Peggy McClung, Mr. Frank Moore, Mr. Joseph Mullins, Mr. Geneal Prather, Miss Mary Ellen Vergin, Mr. Kenneth Warther, and Mr. Chester Thompson.

The Class of '53 had a wonderful time while on the third rung of the ladder, and ended the school year looking forward to the next step, the Senior year, which holds many more good times and surprises. They know that next year, their status will again be changed and they will no longer be the Juniors of '52, but the mighty Seniors of '53.

SENIORS

When we were in the rank and file of underclassmen, we sighed for the happy and carefree life of a Senior. Then, at last we were the high and mighty rods of the school. Seniors!

We were so busily occupied acting the role of leaders that we were surprised to suddenly find ourselves dressed in caps and gowns.

Perhaps the main reason for the seemingly short year was because we were so busy being the sparkplugs for the big publications such as the RED AND BLUE, the LENS, and the SARGASSO.

We had our part in heading the organization such as Girls' League, Boys' Legion, Student Council, and Honor Society. We elected Pauline Johnson and Sue Ann Smith to the Girls' League Council; Cliff Williamson, Frank Rouse, and Clyde Cox to the Boys' Legion Board of Directors; and to the Student Council we elected Bill Briggs, Nancy Cain, Charles Fridlin, Barbara Dixon, Eugene Grover, Phil Irby, Kay Lewis, Ronnie Pflueger, Majorie Snyder, Tom Wheeler, Darlene Whitecotton, Dick Hess, and Jane Good.

Our class officers were the backbone of the class. We elected Bill Williams, president; Dave Flora, vice president; Marcia Huston, secretary; and Margie Snyder, treasurer.

Even we, as mighty Seniors, needed advice some times and it was very capably given by Mrs. Frank Kern, Mr. Kenneth Crook, Miss Lillith Farlow, Miss Lyla Sill, Mr. Olin Meritt, and Miss Christina Williams.

As the year moved along, the Seniors attended the Purdue Legislature; and the Hullabaloo, Dramatic Club play, and, of course, the Senior Class play, were successes due to the efforts of the Seniors, or at least we like to think so!

The Junior-Senior Prom, Class Day, Prom, Commencement, and Commencement marked the end of our high school struggles and pleasures. Always we will remember some of the memories and incidents of the last four years. Some of us leave KHS with mixed emotions. We leave tearfully, yet looking forward to the life beyond KHS. We'll never forget our fourth and last, our best, year at Kokomo High School.

And now we come to the parting of ways. We have worked, played, danced and sung together as a proud Senior Class. We have gone to the same school with the same teachers and taken the same courses together. Now, we shall separate and each will follow his special walk in life. We shall never be together again as we have been . . . except through the pages of this Sargasso
